SUMMARY

PeopleSoft technical leader with 30 years in IT and more than 25 years with PeopleSoft (since 1999), progressing from developer to PeopleSoft System Administrator at the Palm Beach County School District. Plans and leads multi-release PeopleSoft upgrades and the yearly FSCM and PeopleTools update cycle, trains and mentors new system administrators, covers manager duties when the manager is away, and takes part in the ERP QA Change Management process.

PROFESSIONAL EXPERIENCE

PeopleSoft System Administrator Jan 2010 – Present
Palm Beach County School District *West Palm Beach, FL*

- Plan, lead and perform PeopleSoft upgrades, including the multi-release path from 8.9 to 9.0, 9.1 and 9.2 and the yearly technical FSCM and PeopleTools upgrades, from planning and testing through cutover.
- Use PeopleSoft Update Manager (PUM) images and change packages to keep PeopleSoft applications and PeopleTools current.
- Work closely with functional teams throughout each upgrade to coordinate testing and cutover.
- Train and mentor newly hired system administrators, including hires new to PeopleSoft, for the PeopleSoft System Administration team.
- Cover manager duties when the manager is away, acting as the team's point of contact.
- Participate in the ERP QA Change Management process.

Sr Systems Engineer Jun 1999 – Jan 2010
Office Depot Corporate Headquarters *Boca Raton, FL*

- Began as a PeopleSoft developer and moved into PeopleSoft administration (PSAdmin) and system administration.
- Supported and developed the corporate help desk system, including web and email self-service interfaces.
- Worked on the implementation of PeopleSoft 8.9 HRMS and PeopleSoft 8.4 Financials.
- Middle Tier Administration: installation, administration and support of PeopleSoft, MicroStrategy, Manhattan and IBM Cognos application servers.

Project Lead, *iCS Cable Inc.*, Deerfield Beach, FL Mar 1999 – Jun 1999

- Led the redesign of a corporate-wide Visual Basic account reporting package.

MS Access Specialist, *Office Depot Corporate Headquarters*, Boca Raton, FL Nov 1998 – Feb 1999

- Reconciled finance databases based on W-2 data across departments.

Consultant, *Personal Consulting*, West Palm Beach, FL Jan 1996 – Apr 1998

- Software and hardware installation as clients required.
